Arts Council Membership

Support the arts and reap the rewards

Who we are

The Arts Council Mansfield is a community initiative whose principal purpose is to encourage participation in Arts, crafts and performance throughout the Mansfield District.

The Council organises art exhibitions, live performances, events including the ever popular Spring Arts Walk, Three Faces Portrait Prize, the Mansfield Art Glass Exposition and Median to Rare Sculpture Exhibition and Prize.

Other activities include community art, music performances, workshops and artist demonstrations, the One Act Play Festival and the SALA writing competition.

We rely on funding from government, the local Shire, and subscriptions and gifts. These are essential to organise and run the many events in our district throughout the year.

Benefits to members

ACM membership brings benefits including: discounted tickets to live performances, priority advice for events, regular newsletters, 'member only' workshops and events, dinners, participation in events outside our district, invitations to special art shows and exhibitions throughout Victoria, invitations to fund raising efforts, priority seating at ACM events.
